Each USPA treatment, although unique in it's own way, include inspired authentic ritual processes used for centuries to truly nurture the individual. Our holistic approach works in harmony with the powerful chemistry of botanicals and techniques used for generations to impart complete restoration.

USPA CONCEPT FACIAL

90 minutes \$169

Our most popular spa treatment begins with a sensory journey to customise perfectly to you, followed by a grounding foot bath where your legs and feet are cleansed, exfoliated, massaged and moisturised. A relaxing warm oil infusion for the back relieves any tension and prepares you for the ultimate facial experience. The journey of aromas is complemented with a meditative face massage, lymphatic stretching and Balinese Body Palming. This remarkable and holistic experience results in glowing skin and leaves your entire being transformed.
